

Defoamer NS

General purpose defoamer

Description

A specially blended, highly effective, non-silicone oil-based anti-foam agent. It is used in very small quantities where foaming has become a problem.

Performance Benefits

- Does not cause issues with subsequent painting or plating operations
- Fast acting.

Recommended Applications & Dilutions

Added sump side, typically eight to thirty two ounces of **DEFOAMER NS** per 1000 gallons of fluid is all that is necessary minimize foaming. Add directly to system in area where foam has become a problem.
